BACHELOR OF SCIENCE IN BUSINESS ADMINISTRATION

ON-SITE AND ONLINE

PROGRAM HIGHLIGHTS

WHAT IS THE BACHELOR OF SCIENCE IN BUSINESS ADMINISTRATION?

This degree program prepares graduates to gain knowledge of business administration principles behind the functioning of a company or organization while developing a clear perception of business ethics based on Christian principles.

Three BSBA concentrations are available in Human Resource Management, Management, and Supply Chain Management. The concentration in Human Resource Management equips students for developing and managing the organization's employees. The concentration in Management prepares students for management and supervision of resources and operations in organizations. The concentration in Supply Chain Management equips students for managing of supply chain activities, including sourcing, procurement, operations and logistics management.

WHAT DO STUDENTS ENROLLED IN THE BUSINESS ADMINISTRATION PROGRAM DO?

As a Business Administration major, you will develop Christian servant leadership principles, solve problems using collaborative techniques, and learn how to celebrate diversity in business environments. You will become knowledgeable in the areas of accounting, business law, economics, finance, management, marketing, statistics and strategy.

IS THIS MAJOR RIGHT FOR YOU?

You might consider a Business Administration major if you seek a position in management or accounting for a business or organization, desire advancement within a company or organization with additional responsibilities and higher pay, or desire to learn more about management. This major is also helpful to those who wish to develop entrepreneurial skills necessary to start and operate their own business. Business Administration majors will become comfortable with analysis of financial information behind the operation of a business or organization.
